BLIND TYPING COMPETITION

Type without seeing. Focus. Accuracy. Speed.

A hands-on typing competition at our Tech Fest

REGISTRATION FEE – ₹40 per participant

Put your typing skills to the test! The Blind Typing Competition is an individual competition where participants type a given passage without seeing the keyboard. The competition rewards typing accuracy, speed, focus, and independent performance.

FORMAT	TOTAL TIME	CHALLENGE
Individual competition	8 minutes	2 rounds

How the competition works

The competition has two rounds. Round 1 will be conducted for 5 minutes, followed by the final Round 2 for 3 minutes. Participants must complete the typing task within the allotted time and follow all instructions given by the organizers.

Round 1: Preliminary Round — 5 minutes

Participants will type the given passage with the keyboard covered. Performance will be assessed based on typing accuracy and speed.

Round 2: Final Round — 3 minutes

The qualifying participants will compete in the final round for 3 minutes. Participants must type the given passage independently while the keyboard remains covered.

Rules for participants

- The keyboard will be covered with a cover so that participants cannot see the keys while typing.
- Participants must type the given passage independently without any external assistance.
- Participants must not lift, move, or adjust the keyboard cover during the competition.
- Any attempt to cheat or violate the rules may result in disqualification.

Judging criteria

Judges will consider typing speed and accuracy while evaluating participants' performance.

Criterion	What it means
Typing speed	Amount of text typed within the allotted time.
Accuracy	Correctness of the typed passage.
Rule compliance	Following all competition rules and instructions.
