# RULES AND GUIDELINES

## 1. Team Formation

- Each team must consist of 2–3 members.
- Each team will be assigned a unique Team ID.
- A participant can be a member of only one team.
- Team members must remain together throughout the game.
- No changes to team members are allowed after the game begins.

## 2. Registration and Reporting

- All teams must complete registration before the specified deadline.
- Teams must report to the venue 15 minutes before the event.
- Each team must collect its Mission File/Starter Kit before the game.
- Late entry will be permitted only at the discretion of the organizers.

## 3. Mobile Phone Rules

- Only ONE mobile phone is allowed per team.
- The designated Team Phone can be used for QR scanning, the official event website, authorized audio/video clues, answer submission, and hint requests.
- All other personal mobile phones must be deposited with the organizers before the game starts.
- The deposited phones will be safely stored and returned after the event.
- Using Google Search, ChatGPT, Gemini, other AI tools, social media, messaging apps, or external assistance through the Team Phone is strictly prohibited.
- Teams found using unauthorized resources may receive a penalty or be disqualified.

## 4. Mission Start

- The game begins only when the organizers announce “MISSION START.”
- The timer starts when the organizers announce the start of the game.
- Teams must follow the instructions provided in their Mission File.

## 5. QR Code Rules

- QR codes must not be moved, damaged, covered, copied, or tampered with.
- Teams must scan only QR codes belonging to the game.
- QR codes and clues must not be intentionally hidden from other teams.
- Scanning a QR code does not automatically mean the challenge is completed. Teams must follow the instructions provided.

## 6. Checkpoint Rules

- Teams must visit only the permitted locations.
- Restricted areas are strictly off-limits.
- Teams must follow instructions given by volunteers at checkpoints.
- No team may interfere with another team's progress.

## 7. Puzzle and Challenge Rules

- The game may contain encryption/cipher puzzles, logic challenges, image/audio clues, coding/debugging challenges, physical arrangement challenges, evidence collection, and final code-breaking.
- All challenges must be completed according to the given instructions.
- Team members may divide tasks among themselves.
- Answers must be submitted through the official answer system or to the designated volunteer.

## 8. Hint System

- Each team will receive 3 Hint Tokens.
- A hint can be requested when the team is stuck.
- Each hint may carry a 5-point penalty.
- Hint Tokens cannot be transferred between teams.
- Hints can only be obtained through the official organizers or website.

## 9. Fair Play

- Teams must solve challenges using their own knowledge, reasoning, and teamwork.

The following actions are strictly prohibited:

- Copying another team's answers.
- Following another team specifically to obtain clues or answers.
- Receiving help from outsiders.
- Sharing answers with another team.
- Using unauthorized websites or AI tools.
- Accessing the event's backend/admin system.
- Attempting to hack or manipulate the game website.
- Using automated scripts or bots to gain an advantage.

## 10. Physical Safety

- Running is not permitted in crowded areas.
- Climbing walls, buildings, gates, trees, or roofs is strictly prohibited.
- Participants must not enter restricted rooms or areas.
- Participants must not disturb classes, staff, other events, or normal college activities.
- Any physical challenge must be performed only as instructed.
- Safety instructions given by volunteers must be followed immediately.

## 11. Event Materials

- Participants must not tear or damage clues.
- Participants must not remove permanent QR codes.
- Participants must not move evidence.
- Participants must not hide clues.
- Participants must not take another team's evidence.
- Participants must not damage equipment or college property.
- Any intentional damage may lead to disqualification and/or recovery of the associated cost.

## 12. Time Limit

- The time limit and event duration will be announced by the organizers.
- Teams must submit their final answers within the time specified by the organizers.
- Late submissions will not be considered unless an official technical issue is confirmed.

## 13. General Instructions

- Follow all instructions given by the organizers and volunteers.
- Maintain discipline and respect other participants.
- Play fairly and cooperate with your teammates.
- The organizers' decisions regarding rule violations will apply during the event.
- Have fun, think smart, and crack the code!
